Within this resource booklet, you will find helpful information about each of the organizations participating in this year's Fair. They are shining examples of groups dedicated to improving peoples' lives as well as enhancing the landscape and social fabric of our community.

KidsMatter invites you to discover the wide variety of volunteer opportunities they offer young people and their families, and the exciting possibilities you have to make a positive impact in our community by donating your energy!

We hope you enjoy the 2011 KidsMatter Volunteer Fair!

Sincerely,
The KidsMatter Staff and Board of Trustees

KidsMatter is empowering kids to realize endless

possibilities! Youth and families are the future of our community. Yet every day, kids battle the stress of academic, social and economic competition. Left unmanaged, these stressors can undermine healthy personal development and lead to chronic anxiety, depression, drug and alcohol abuse and thoughts of suicide.

KidsMatter equips Naperville area youth and families with tools to manage the stress of everyday life through dynamic school and community programs, practical education, resources and youth recognition. We harness the power of partnerships with parents, educators and an extensive network of community resources to help kids and families thrive.
